A world of thanks
to all of you...

Hi!

Just wanted to
thank you guys for
a good time. also, for
the hat & wind breaker.

I'll wear them in
Mexico City next mothⁿ
at Pan Am Games.

I realize I might
have forgotten some
things - it is one of
the few times I've gotten

to talk about one
of my sports to a large
capture audience. Special
thanks to Weseli likes

... 'cause people like you
make the world
a nicer place!

for my old & continued
membership in How. Canoe
club.

also, special thanks
to Pennard for all his
work & organization

+ special enthusiasm
for ^{the Houston} Sports Festival

Sports Festival is
lucky + ~~great~~ thankful
to have Houston Canal
Club host their canal/
kayak event.

AMERICAN GREETINGS

+ looking forward
to working w/ you
