Dear Don and Sue:

On behalf of The Houston Canoe Club, I wish to express our heartfelt thanks for your accompanying us on our paddle on Armand Bayou, February 17th. I personally increased my knowledge of the outdoors, as did others. Many of us spend hours paddling the Bayou, but none of knew that it was once part of the Brazos.

We invite you to come to our meetings and paddle with us. We also look forward to planning another paddle in the next couple of months and hopefully you will be able to join us at that time also.

Yours truly,

Artie Dennis, Recorder

Dear Tom:

On behalf of The Houston Canoe Club, I want to express our heartfelt thanks for coming to our February meeting. I feel that you were, as usual, well received. Also, we thank you for the \$25.00 gift certificate which was used as a prize in the drawing for the visitors. We were able to convince several people to join our ranks that night.

Tom, we also want to thank you for your program that night. As a direct result of that program, I feel we had a fairly good turnout at the cleanup this past weekend.

Please keep us advised as to the coming year. If you plan on cleaning up 256 plus miles, it will need a lot of advance publicity and help from a lot of individuals.

Again, we thank you for your support of The Houston Canoe Club.

Yours truly,
